**Message from District 2-X1 Co-Chair Lion Roy Chirayil on Covid-19 Vaccination Support for Dallas County Health and Human Services.**

**Fellow Lions:**

**Dallas County Health Human Services (DCHHS) are needing lots of help from us Lions. DCHHS will have three vaccination sites open on Monday morning (Fair Park, and two sites operated by Parkland Hospital). They are needing 40+ volunteers every day to man the various operational needs (Ex: Allow only the registrants at the entrance gate, check the appointments with the registrants and validate them, direct these individuals to the vaccination location and monitor them to make sure there are no side effects, etc.). For the first week, DCHHS is anticipating the work would be whole day. After the first week, it may be split into half a day shift. The shift starts at 7 am and last till 6 pm. If you are interested, please contact Roy Chirayil either at 817-584-0843 or [lionroy@gmx.com](mailto:lionroy@gmx.com).**

**As the saying goes, if there is a need, there is a Lion. Let us do our job by helping our neighbors and get their vaccination shot in an organized fashion.**

**Always a Lion**

**Roy Chirayil**
