

December 18, 2020

**Fellow Lions:**

**Holiday Greetings! 2-X1 Charities again this year is planning to support the Opportunities For the Youth activities (OFY). The program for the High School Juniors and Seniors includes**

- **Drug Awareness Speech contest**
- **Diabetes Awareness Essay**
- **Outstanding Youth Contest**

**It is important we keep the program to encourage our youth to be active in Lionism and also to help pursue higher education in college and universities. We seek your club's support financially to keep the program going. We recommend a donation of \$100 for each contest or whatever your club can support, will be appreciated. We plan to award the First and Second Place winners, depending on the funds available. The First place winners of these contests will get a chance to compete at the MD-2 level with a cash prize of upto \$3000 towards tuition to the school they plan to attend. Over the years several of 2-X1 contestants have won MD-2 awards helping them with college tuition fees and also bringing pride to the district. Your support in this endeavor will be greatly appreciated. Please mail your checks made out to 2-X1 Charities to our Treasurer:**

**John Stare
